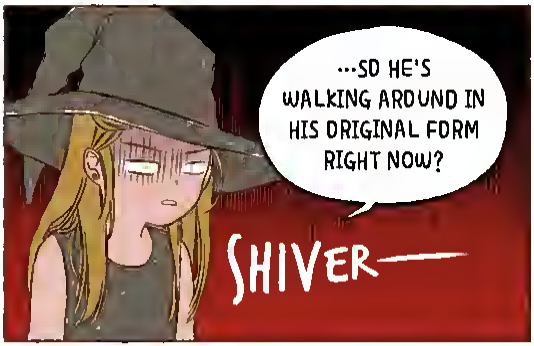
HE COULD HAVE DEVELOPED A RESISTANCE TO THE PILL.
AFTER ALL, HE'S BEEN ENDURING IT ALL BY RELYING ON THE MEDICATION FOR YEARS···



···SO HE'S WALKING AROUND IN HIS ORIGINAL FORM RIGHT NOW?

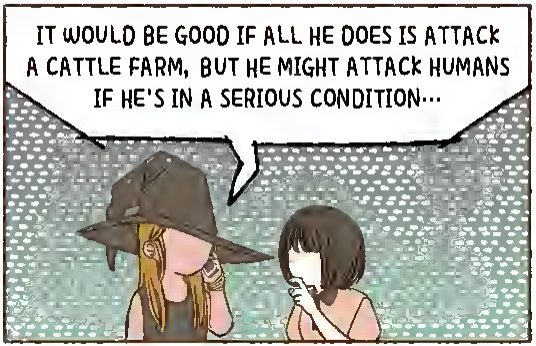
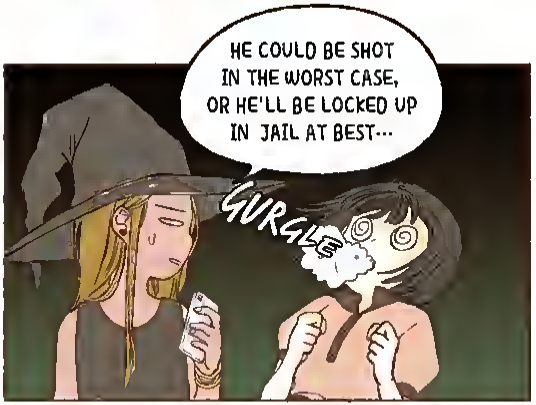
I'M NOT SURE... HE SHOULD BE ACTING PURELY ON INSTINCT RIGHT NOW...



IT WOULD BE GOOD IF ALL HE DOES IS ATTACK A CATTLE FARM, BUT HE MIGHT ATTACK HUMANS IF HE'S IN A SERIOUS CONDITION…



HE COULD BE SHOT IN THE WORST CASE, OR HE'LL BE LOCKED UP IN JAIL AT BEST…
